Re: Ryan Kay Receives Purdue University's Young Alumni Award

I am proud to announce that Ryan Kay has received Purdue University's Young Alumni Award. The award was established in 1999 and honors a person age 32 or younger who has given outstanding service to the University, the Purdue Alumni Association, or any Purdue Alumni organization. The award will be presented at the fall Homecoming Celebration Dinner this November. Ryan was selected by a committee of Purdue Alumni Association board members who choose one in-state and one out-of-state recipient to receive the award.

Ryan is a 2009 graduate of Purdue's Krannert School of Management with a Bachelor of Science degree in Management, a minor in International Business and Economics and a Certificate in Entrepreneurship. He is the immediate Past-President of the Purdue Alumni Club of Fort Wayne.
